Explanation: the numbers in the left column represent the overall standings. Prizes will be awarded by total image count. Within image count, individual contestants will draw first, followed by teams. When there is a tie between more than one individual or team, (indicated by the number in the far right column), prizes will be awarded by a random draw.

NOTE: This spreadsheet lists all image counts of 50 and above but does NOT guarantee a prize for all those listed.

This spreadsheet will be updated on a daily basis through the end of the contest at the end of the day on November 4. The most recent update was made as of:
