CPS SCHOOL Starts in September

How long has the CPS School been in existence? At least 50 years and maybe as long as 60 years I don't know for sure but I do know that this year the school will be better than ever.

Our general 10 week photography course will start on Thursday, September 25 and will cover all the basic photo skills with special emphasis on 35mm color slide photography. At a cost of \$40.00.

New this year will be a 5 week basic Black & White Darkroom course costing \$25.00 followed by a 5 week Color Darkroom course also costing \$25.00. If you want to take both Darkroom courses you get a special rate of \$40.00. The first Darkroom class starts on Monday, September 22.

The CPS School has over 10 highly qualified instructors who teach their specialty. This is unique for photo schools in the area.

Classes are open to **ALL** interested people. Pick up a registration blank at any good photo store, or call school registrar, Chris Rogers at 252-2276.

IN MEMORIUM

With our condolences, we report the death of long time active member, Mrs. Jeanne (Urban) Wiltse. In November 1955 when Jeanne was an office worker for Republic Steel, she was accepted into CPS. In June 1956 she took over as Editor of The Dark Room Door, the same year that her husband to be "Doc" Harrison Wiltse became CPS President. Jeanne also served as Business Manager for The Dark Room Door and then served 2 years as CPS President 59-60 and 60-61, and was also active as a CPS School instructor.

'Tis the mind that makes the body rich.
 Shakespeare

WELCOME

Please welcome our new member, Dennis Paul Rubin of Cleveland, and welcome our first Associate Member, Mathew Dierker, son of member LeRoy Dierker.

DRAG RACE FIELD TRIP

Rained out - that's what happened to the June field trip to Thompson's Drag Raceway. The day was not a total loss however, there was still a picnic at the Birchers' house. If you weren't one of the 14 who attended, you certainly missed out on a good time. So thanks to the Birchers for their hospitality.

AUGUST FIELD TRIP

SUNDAY - AUGUST 17 Meet at the Polo Grounds at Rt. 87 and River Road in Chagrin Valley at 12:00 a.m. Bring a lunch, hobnob with the hoi polloi, and get some action shots of the polo matches which start at 2:00 p.m.

A SPLENDID SHOWING

Through the efforts of Chuck Davenport and Bill Goddard, the first CPS print show is now on display at Dodd's, Mentor Avenue Store. The idea is to give our club some much needed publicity by showing the works of our members. Shows are also scheduled to be exhibited at Lakewood Camera and at the Upstairs Art Gallery in Chardon. If you can help display a show of 9 prints and a title block, please contact Bill, Chuck or Greg.

KEEP POSTED

The annual Calendar of CPS activities is now available. Pick one up at the Club Rooms. Many thanks to Bill Goddard Photography for underwriting the printing costs. Please note a change - board meetings have been rescheduled to the 3rd Tuesday of each month - so add 7 days to the dates shown on the calendar.

BELATED THANKS

Last fall, CPS conducted two terrific workshops; a nature workshop headed by Bob and Gretchen Tropea and a Judging Workshop with Harry Bartels and Maria Zickuhr. Both sessions were well attended and highly successful. We ask these fine instructors and those who assisted them to accept our belated thanks for super efforts. Please let them know if you would like an encore.

TERMINAL TOWER

Have you wondered what it would be like to take photographs of Cleveland from the Terminal Tower observation area? If you weren't among the 19 people attending this field trip, you passed up a great experience. The hour wait to get to the observation area was well worth it. The sky was clear and the sun was just starting to set: giving everyone a chance to get some fantastic shots of our great city. After enjoying some picture taking and a lovely view, everyone headed over to Kiefers for the conclusion of an interesting evening.

MISS JULY?

If you missed the July issue of "Through The Darkroom Door", you are not alone. We all missed it! In order to live within our budget, we were obliged to give up the July publication. If you have any comments or suggestions, please give me a call.

By the way, you can help beautify the Club treasury by sending in your mid-year dues payment.

BOOSTER

Are you proud of CPS? Would you like to "Boost" your club a little the next time you show slides? It's easy. Just purchase a few CPS MEDALIAN SLIDES; The same one that starts each slide competition night. Jane Neiswander is taking orders for the 2 x 2 medalian slides at \$1.25 each. Jane needs about 25 slides **paid** for before ordering the duplicates. Send your check to Jane at 2861 Westmoor Road, Rocky River, Ohio 44116, or call her for more details at 331-1421.
