EDITOR'S
NOTE:

This Newsletter is being published in place of the December issue of THROUGH THE DARKROOM DOOR in order to help balance our budget. We will resume the usual publication in January. The deadline for getting news in that issue is December 27, 1980.

IMPORTANT
NOTICE:

Recently, some members have had their cars broken into or stolen while attending a Friday meeting. While this problem is not unique to our location, we are reporting this to make you aware so that you can take some steps to protect your car.

Always lock your doors and never leave any camera equipment or valuables unattended. Park where your car can be seen from the Clubroom windows. We will post lookouts at the windows during the meetings and you may be asked to take a turn. Some members have had kill switches or alarms installed in their cars. If you have any ideas or suggestions for dealing with this problem, please let us know.

HOLIDAY
PARTY:

The Annual Holiday Party will be held on Saturday, December 27, 1980, at the clubrooms. Enjoy food, games and fellowship on this festive occasion. Sign up for your pot luck contribution at a weekly meeting or call Eltha Bartells. Don't be a Scrooge - join in!

PORTRAIT
WORKSHOP:

Professional Portrait photographer, Terry Schordock, will be conducting a 4 session Portrait Workshop starting on Tuesday, January 27, 1981 at 8:00 pm. It will cost \$15.00 for club members and \$20.00 for non-members. Don't miss this in depth, hands-on learning experience. Sign up at the clubrooms.
