## Spring Flower Enthusiasts Take Note

**C**arol Kocab's *Annual Spring Flower Walk* at her home on 7250 Raccoon Hill Drive in Kirtland is set for Saturday, May 7th (this is a date change). Come after 1:00 p.m. to trek down to the creek for flowers. Chapin Arboretum is also nearby.

For those who wish to stay and eat — or for those who only want to come and eat — at 5:00 p.m. Carol will provide coffee, tea, hotdogs, and hamburgers. You are invited to bring beverages, snacks, and other potluck stuff.

To get there, take east I-90 (or I-271) to Ohio 91. Turn right on 91. When you reach U.S. 6, turn left. Turn left again on Hobart street (before highway 306). Turn left on Raccoon Hill Drive and go to Carol's house.

We welcome all CPS members to come and join in the fun. This annual afternoon and evening with Carol has come to be a happy affair with flowers, friendship, and food!

In case of rain, an alternate date for the event is Saturday, May 14th. ☒
