

CPS Mentoring Program

Meet Your Mentor Night is Tuesday, August 29, at the Clubhouse, at 7:30pm. All members are invited to attend and participate in our Fall Mentoring round! The program will also be broadcast on our YouTube channel live, and for later viewing.

For those of you new to the mentoring program, this is the chance for our members to work in small groups with a more seasoned CPS member for 10-12 weeks. Our CPS motto- *Photographers Helping Photographers* is what this program is all about. Mentors come in many varieties- some are professionals, others, hobbyists. All will bring a new experience to your own development as a photographer. At Meet Your Mentor Night, each mentor will give a short presentation about their plans while we show some of their own work. Many work on general photography, while others work on very specialized subjects like macro, birds in flight or nighttime photography. Truly, there is something for everybody.

After our presentations, starting at 9pm on Tuesday, August 29th members may request a mentor by email only at mentecps@gmail.com.

Potential mentees may request up to 3 people, in order of preference. We do our best to honor your requests, which are considered on a first come, first served basis. *Please pay attention to the availability of your mentor choice.*

Each email request MUST CONTAIN THE FOLLOWING INFO OR WILL BE RETURNED.

Your place in line will be lost until the information is ALL included. You have from 9pm on Tuesday, August 29 until 9pm on Wednesday, September 6th to request a mentor. No requests will be considered after that time.

Whether watching from home on YouTube, or live at the clubhouse, listen to what our highly skilled mentors can offer. By attending at the clubhouse, you will have the advantage after the program to ask questions of the mentors and get to know them a bit. You might even get a head start on your request time.
